**RECOGNITION [FOR RETIRING EMPLOYEES] OF EMPLOYEE SERVICE**

[The Public Schools supports and Cosponsors the retirement recognition program for certificated personnel developed by the Maryland State Public Schools. Certificated and non-certificated personnel who retire and a spouse will be guests of the Public Schools at the annual retirement dinner sponsored by the Public Schools. Retiring board members will also be appropriately recognized at this time.

The Public Schools may give special recognition to any employee by adopting a special resolution of appreciation as part of the official action of the Garrett County Public Schools.]

The Board of Education values and appreciates the significant contributions made by certificated and non-certificated employees who work tirelessly with and on behalf of Garrett County Public School students. Their dedication, loyalty, and service have had, and will continue to have, a significant impact on student achievement, school system success, and public education in general.

For those employees electing retirement during any given school year (July 1—June 30), the Board of Education will celebrate their personal and professional accomplishments to thank them for their service to the Garrett County Public Schools.
