Cross Reference: JFABE Policy

Students who wish to apply for admission/readmission to the public schools of Garrett County after having been expelled may do so under certain conditions. The conditions [are] include:

1. that the student [Superintendent] has not been expelled by a school Superintendent [the student] on a permanent basis,
2. that the statements and requirements made by the Superintendent in the letter of expulsion are observed
3. that evidence is provided to and recognized by the Superintendent that documents that the student no longer presents an imminent threat of serious harm to other students and/or school staff
4. that the student follows the procedures and meets the criteria established below.

I. Status of Returnees

A. Students who are expelled will be provided with comparable educational services and appropriate behavior support services to promote successful return to the student’s regular school academic program. The expelled student will have the opportunity to complete classes and earn credits as provided within the comparable educational services.

[B.] Students who were expelled and attended another education program in lieu of a program provided by the Garrett County Public Schools, or in addition to that program will be dealt with according to existing practices.

1. From Accredited Institutions
A student who returns from an accredited institution will have his/her work and credits accepted, if the institution considered the work as having met passing standards, equitable to work and credits completed within a program provided by the Garrett County Public Schools.

2. From Non-Accredited Institutions

A student who returns from a non-accredited institution, including home instruction must be tested for credits according to Garrett County Policy 433.0 and Procedure 433.01.

[3. Home Instruction will not be recognized during period of expulsion.]

[B] C. [Students who were expelled and did not attend another education program may come back at the same grade level in which they were prior to expulsion if the student complies with other requirements listed in this procedure. In the case of a high school student,] [t]The student will be placed in accordance with the number of classes passed or credits he/she has earned. (NOTE: Correspondence courses are not accepted by the Garrett County Public Schools.) To meet the Garrett County High School graduation requirements, high school credits must be congruent with those required by the Garrett County Public Schools for high school graduation.
