Garrett County Public Schools

CORONAVIRUS PREPAREDNESS

Protect yourself. Protect others.

- Wash hands often with soap and water for 20 seconds.
- Clean and disinfect surfaces, doorknobs, toys especially, if someone is sick.
- Avoid touching your eyes, face and mouth.
- Avoid close contact when experiencing cough and/or fever.
- Cover mouth and nose with flexed elbow or tissue when coughing and sneezing.
- Stay Home when you are ill.
