Superintendent’s Goal

To provide well rounded, high quality educational opportunities for every student in Garrett County Public Schools.
1. All students will be challenged with a rigorous instructional environment preparing them to become lifelong learners and responsible citizens.
2. Partnerships with all members of our community will be fostered and strengthened by engaging them in the education of our children.
3. All students and staff will learn in a safe, secure, and caring environment where everyone is valued and respected.
4. Every department and school will be a good steward of system resources and will manage them in a cost-effective manner.
