**Pending approval from MSDE

[^]State emergency closing on March 16 – 27, 2020 – MSDE required mandatory school closings due to COVID19 and these days cannot be included as instruction days

^{^^}MSDE approved Garrett County Public School’s five-day waiver request as school system was finalizing their Continuity of Learning Plan therefore students are required to receive 175 days of instruction instead of 180 days

GCPS implemented Continuity of Learning Plan (CoLP) for online and at home instruction beginning March 30, 2020 through May 15, 2020. These days are all approved and included in the 175 days of instruction.
