#SAFESCHOOLSMD MARYLAND

Tip line/app

What type of tip should I report?

School safety concerns such as:

- Mental health crises
- Bullying
- School violence
- Community violence
- Drug activity
- Abuse
- Other issues affecting Maryland students

Mental Health

Weapons

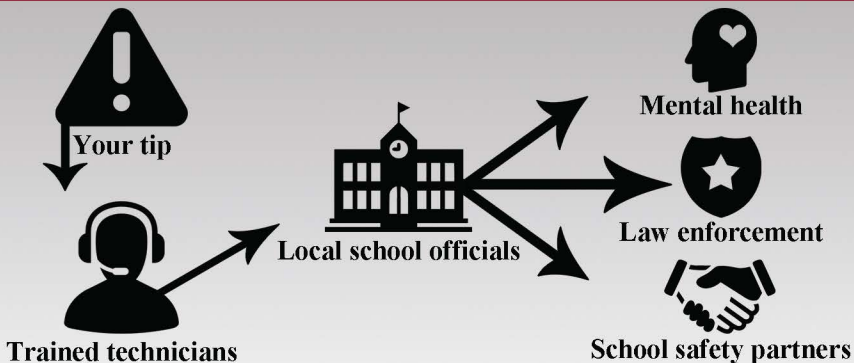

Bullying

Drug Activity

What happens to my tip after I submit it?

Trained technicians process and send your tip to local school officials. Sometimes the tip can be solved right away and sometimes it might need more help from mental health professionals, law enforcement officials, or other school safety partners.

Say something, you could save a life.
