Dear Parents/Guardians,

Another busy week in Kindergarten!

In reading, students completed their “How-To” writing, but we are continuing to work on informational text and writing. We introduced the high frequency words find, this, from, came, but, and on. Please continue to practice reading with your child each evening.

In Math, we continued to work with part-part-whole and completing basic addition facts using manipulatives and pictures. We will continue this next week, before moving into subtraction using the same principles. Be sure to be practicing number facts each evening.

In Social Studies, we discussed transportation and different ways people get from here to there. The students also participated in a gun safety lesson presented by Brian Friend from the Natural Resources Department. Next week in Science, we will be discussing three forms of energy and the importance of conservation.

Please complete the game night paper and return it to school with your child if you are planning to attend our Family Dinner and Game night, scheduled for February 9th. Forms are due by FEBRUARY 3rd.

Reminders:
* January 23rd: Career Day
* January 27th: Noon dismissal
* February 13th: PTO, 6pm
* February 15th: Noon dismissal
* February 17th: Skate Night
* February 20th: No School
* February 27-March 2nd: Kindergarten I Can Swim at CARC (more information to follow)

If you have any questions or concerns, please do not hesitate to contact me! Thank you for all you do to support your child’s education!

Have a relaxing weekend!
Mrs. Nicklin and Mrs. T. Maust
