Dear Parents/Guardians,

Hope you had a wonderful week!

In reading, we are continuing to work on informational text and writing. We’ve been reviewing our sight words, letters and sounds, blending and substituting phonemes, counting syllables in words, and reading grade-level text. We also discussed the different tenses of verbs. Please continue to practice reading with your child **each evening** as well as work on identifying high frequency sight words and reviewing letters and sounds.

In Math, we reviewed addition, solving word problems and equations with the use of manipulatives. Be sure to be practicing number facts each evening as well as counting to 100, subitizing, and number recognition.

In Health, we continued our healthy habits focus by reviewing the importance of handwashing and technique, covering the mouth when coughing and sneezing, and keeping our hands out of the “T Zone” (eyes, nose, mouth area). We also discussed how to take care of our teeth through healthy food choices, visiting the dentist, drinking lots of water, and regular tooth brushing. Each student was given a new toothbrush.

Just a reminder that on 2-hour delay mornings, there will be no breakfast offered to the students.

Please be sure all forms are returned for our CARC trip at the end of the month. This includes the yellow packet of information and the blue permission form. Thanks!

**Reminders:**
*February 13th: PTO, 6pm
*February 15th: Noon dismissal
*February 16th: Family Game/Dinner night (snow date)
*February 17th: Skate Night
*February 20th: No School
*February 27-March 2nd: Kindergarten I Can Swim at CARC

If you have any questions or concerns, please do not hesitate to contact me! Thank you for all you do to support your child’s education!

Have a great weekend!

*Mrs. Nicklin and Mrs. T. Maust*
