Dear Parents/Guardians,

This week definitely zipped right by!

We have been working on introducing opinion writing and discussing functional environmental print (lists, menus, rules, and so on). We will be working on opinion writing and reviewing informational writing as we prepare for our Exhibition next month. Continue to work on sentence writing at home as well as sight word recognition and reading grade level text.

In math, we are working with numbers 11 through 20, writing our numbers correctly, numbers base ten (place value) and writing numbers in expanded form. We will also continue to work on number facts within five and subitizing. Continue to work on these skills each evening.

Our science topic next week will be frogs, as we continue to discuss all things spring.

Permission forms for the Mt. Playhouse and Hovatter’s Wildlife Zoo field trips are coming home. Please fill them out completely and return them to school as soon as possible.
