A Peek at Our Week

Reading: We will begin a unit on poetry this week.
• Comprehension Strategy/Skill: Figurative Language
• This week, our spelling test will be on Friday. Tic-tac-toe boards will be due on Friday as well.
• There will be no reading test this week.

Math
• Time

Grammar/Writing:
• Revising and Editing Informational Writing

Social Studies/Science/Health
• Plants and Animals in Different Habitats
• We are beginning to set up our new aquaponics unit. This unit will allow us to use the waste of fish to fertilize plants growing in water. This is the first class to try this, and we are excited and a little nervous. We hope it will be a successful project and both plants and animals will survive in a healthy habitat.

Spelling & Word Study

Spelling Pattern

Words with er, ir, ur
• Words are glued in your child’s planner.

Reminder

• In Science, students will be researching one particular habitat to see what types of plants and animals live there. They will display what they learn about the habitat in a diorama. We need cardboard shoeboxes for this project. I have some, but not enough for the whole class. If you happen to have any, we sure would appreciate the donation to our class. We hope to get started on this on Wednesday. Thank you!
• There will be no school on Thursday due to parent teacher conferences.
• Don’t forget to turn in your March exercise calendars at the end of the month.

Weekly Homework

• Work on Spelling tic-tac-toe boards. (Due Friday.)
• Practice math fact cards each night. These are in your child’s take home folder.

Mark Your Calendar

March
27-31 Book Fair
30-Parent/Teacher Conferences- No School

April
7- 3 hour early dismissal
13- Wellness Fair
14,17- No School- Easter Break
