Reminder
• We will be presenting our Lego League Jr. project in mid December at the FLL Tournament at NHS. We need a core group of students to attend for an hour or two to present their model and poster.
• Please look for more information being sent home soon if your child is interested. Thank you!
• Don’t forget to send extra coins to school for our Coins for Caring Drive through Dec. 8th. The money will go to help families in our community over the Christmas holidays.
• Ms. Russum’s last day with us will be December 13th. She has done an amazing job in our class and we will miss her greatly. To show our appreciation for all she has done, I would like to present her with a special gift from our class. I will be getting a basket together that will house all kinds of teacher supplies for her. If you and your child would like to contribute to this basket, it would be greatly appreciated. Items could include things such as sticky notes, pens, notebooks, stickers, classroom decorations, or anything that a teacher might use. This could also include such things as chocolate or little snacks to get through the day. Be creative! You may send items in with your child at any time, but please have your child give them to me and not Ms. Russum because this will be a surprise. Thank you!

Homework
• Practice math fact sheet each night for 1 minute. These are in your child’s take home folder.
