A Peek at Our Week

Reading:
This week we will be focusing on research for our Lego League Jr. project. We will be learning about different ways we use water, how water travels from place to place, and problems that may occur along its pathway. We will be learning about good practices in research and gathering information through various sources. There will be no reading test this week.

- We will take our spelling test on Friday. Tic-tac-toe boards are also due on Friday.

Math:
- Break apart numbers to add

Grammar/Writing:
- Narratives- Realistic Fiction- Making our Characters come to life with dialogue, actions, and feelings
- Writing complete sentences

Social Studies/Science

Reminder
- We are missing a black flashlight that was brought in to school for our animal project. Please check to make sure it did not come to your home. We also have a bright orange/red flashlight that no one is claiming. If you know anything about these two flashlights, please let me know. Thank you.

Weekly Homework
- Work on Spelling tic-tac-toe boards. (Due this Friday.)
- Practice high frequency words. Students should be able to immediately recognize and read these words.
- Practice math fact sheet each night for 1 minute. These are in your child’s take home folder.
