A Peek at Our Week

Reading:
- Story- “Teacher’s Pets”
  - Comprehension Strategy- Visualizing
  - The reading and spelling test will be on Thursday.
- Reading books will be sent home this week for students to read the story.

Math:
- Odd, Even Numbers
- Arrays

Grammar/Writing:
- Narrative Elements
- Writing Dialogue

Science/Social Studies
- Maps, Globes
- Map Elements
- Continents, Oceans
- Comparing Cultures

Reminders

- We could use some napkins in our room for our morning snacks. If you would like to provide any, please send it with your child to school. Thank you!
- For our classroom: Please keep disposal water bottles at home. They are causing a huge distraction in class because they easily spill and students are constantly squeezing them making noise. Students may have water bottles they can drink from that the lids remain on. I passed out some new bottles to those who thought they had none at home. Thank you!

Homework

- Practice vocabulary words each night. Make sure your child understands the meaning of each word.
- Tic- tac-toe boards- due Thursday. (These were passed out last week on Tuesday.)
- Practice high frequency words each night. Students should be able to immediately recognize and read these words.
- Practice math facts each night. The practice sheets are in your child’s take home folder. As they pass a level, they receive a new one. Please let me know if you do not have one.

Spelling & Word Study
