Reminders

Our class is responsible for creating a theme basket that we will sell at the Halloween Social. Our theme is Sensational Scents. Some suggestions might be candles, candy, perfume, air fresheners, baked good mixes, etc. Be creative! It can be anything that smells wonderful. Route 40 School also puts together Harvest Baskets. 2nd grade is responsible for providing cans of green beans and instant mashed potatoes. Students can bring in items for our baskets at any time. Thanks for your help. These are due no later than the 25th.

Practice vocabulary words each night. Make sure your child understands the meaning of each word.
Spelling tic-tac-toe boards are due on Friday.
Practice high frequency words each night. Students should be able to immediately recognize and read these words.

Practice math facts each night. The practice sheets are in your child’s take home folder. As they pass a level, they receive a new one. Please let me know if you do not have one. Students should also begin working on the math practice packet that will be sent home this week. It won’t be due until next week.
