A Peek at Our Week

Reading and Science:
- The spelling test will be on Friday. Tic-tac-toe boards will also be due.
- We will not be working on a story from our reading book this week. Instead, we will be working all week on our Lego League Jr. Project called “Creature Craze”. This is a hands-on program designed to introduce concepts in STEM (Science, Technology, Engineering, and Math). Students will be learning about the importance of honey bees and an animal living in the bee’s habitat. Students will show what they learn through a Lego model with at least one motorized part and a Show Me poster.

Math:
- Place Value (Miss Rinker, our Frostburg intern, is teaching this unit)

Grammar/Writing:
- Narrative Writing- Revising and editing
- Group Research for our Lego League Project

Spelling & Word Study

Spelling Pattern
- Consonant digraphs: th, sh, wh, ch
- Words are glued in your child’s planner

Reminders
- Thank you for all your donations, time, and effort in making the Halloween Party at school and the Social a huge success. We greatly appreciate our families and all they do to make our school a great place for our students.
- Parent/Teacher conference requests for a specific time were sent home last week and are due today. If we do not hear from you, a time will be assigned to you.

Homework
- Work on Spelling tic-tac-toe boards. (Due Friday.)
- Practice math fact sheets each night. These are in your child’s take home folder.

Mark Your Calendar
