Dear Parents,

It is unbelievable that we have already been in school for one month! Your child has been working hard since the first day. I hope that you are using the parent portal to check graded assignments posted in my gradebook.

Right now your child has a guided reading book, and is reading another book with fourth grade. In writing, we are developing a narrative text, focusing on character and plot.

We have conducted our first class meeting where the students selected the classroom basket for the Halloween Social. The students will be donating items to create a USA basket. I will be supplying the basket and the students will fill it. The students may begin bringing the items in any time.

If you haven’t signed up for Remind, please do so. This is the main way I will contact parents. If you need another paper with the information, please send in a note or place a note in your child’s planner.

My email address is: donna.deal@garrettcountyschools.org
