Pre-K News – May 19

**Reading** - Next week we will focus on initial sounds, ending sounds, CVC words, story elements, shared reading, and many, many writing activities. Please continue to practice alphabet packets each evening.

**Math** - Next week we will continue our unit on number exploration from 11-100. Please continue to practice number packets each evening.

**Science** – Next week we will continue our unit on plants. We will be reading many books about this topic.

******************************************************************

**Tuesday and Thursday - P.E. days**

**Friday, May 26 – 1:00 Spring Concert**

******************************************************************

Please remember to send in 3.00 for our buddy celebration day at the end of the school year.

We had 7 healthy and happy frogs that we released to our pond area on Tuesday. 😊
