Pre-K News – October 12

Reading - Next week we will continue our study of the alphabet. We will be focusing on the letter F,f. On Monday, please send in one sharing item beginning with the letter F,f (frog, fish, etc.). Please make sure that the item is labeled and backpack size. Be creative as possible – it is wonderful to have a variety of items.

Math- Next week we will begin our unit on positional words. Please discuss terms like over, under, above, below, beside, behind, in front, back, etc, at home.

Science/ Social Studies – Next week we will continue our unit on fire safety. We will be reading many books about this topic.

******************************************************************

Monday – send F,f item for sharing

Tuesday and Thursday – P.E. days

******************************************************************

* At the end of October we will hold a Halloween Social at Rt. 40 School. Each class will gather donations to create raffle baskets to be sold there. The basket theme for Pre – K will be gift cards. We ask that you send in a gift card, (5.00, 10.00, or other dollar amount) for a restaurant or other location in our area, ((Sheetz, Arbys, Wal-Mart, Chick Fil A, etc.). Our gift basket is always a popular item!

Pre-K is responsible for stuffing mix and pie filling in the harvest baskets for the Halloween Social. We appreciate the donations that we have already received.

Each classroom will have a Halloween party on Friday, October 27th at 2:00. We will notify each family of the food item we would like your child to bring on that special snack day. You will be invited into our classroom, at 2:00, to help dress your child, watch the school parade, hear a couple of Pre-K songs and be with your child at snack time. We look forward to you joining our room on that afternoon!

We have attached name papers for your child to complete during the week. Please have your child do one a night and return one per day for a sticker and praise. Please have your child spell his/her name as he/she is writing it. We can so tell some of the boys and girls are practicing – awesome!
