**Reminders**

- Don’t forget to check and sign your child’s planner each night. Each time your child turns in a signed planner, they receive a number that eventually leads to a reward. In the future, I will not give a number on days we don’t have school. If you signed your child’s planner and they come home without a number, it probably means they forgot to turn it in to me.

- Please remember I only send home a new math fact level sheet when a student passes the level. They do not need to be returned to me. They should be practicing at home with this sheet until they pass the level. A good way to reuse the sheet is to put it in the clear plastic pocket in the back of the planner and use a dry erase marker to reuse it over and over.

**Homework**

- Practice math facts each night.
- Work on the fluency paper each night.
- Spelling tic tac toe boards (Due Friday)
