Reminder

- We have had a great first week of school learning the rules and procedures of our classroom. This week, we will begin to dive into a more normal routine. This class seems eager to learn! Here we go! I’m looking forward to a great year!
- We are still missing some beginning of the year forms from students, including the last page from the purple student handbook.

Weekly Homework

- Students need to complete any 3 activities on the spelling tic-tac-toe board sometime this week. It is due on Friday. I sent it home last week. Students only need to return the signed tic-tac-toe board. The spelling test is on Friday.
- Practice reading high frequency words and learn the meanings of the vocabulary words. Students will be tested on the vocabulary words at the end of next week.
- Practice math fact sheet. Your child should be able to complete all the problems within 1 minute. Your child will get a new practice sheet each time he/she passes a level. Students do not need to return these.

Our lunch begins at 12:20. If you would like to send in a healthy morning snack for the class once a month, we would appreciate it! Our tummies are rumbling and it is hard to concentrate on learning. We have 17 students. Yogurt, granola bars, graham crackers, fruit, pretzels, etc. are great ideas for morning snack.
