Changes to the student planning guide will not be in effect until the class of 2022 enters 9th grade.
Service Learning Index	The on-line index may be referenced. However, it is being updated. If an organization does not appear on this index, please contact Stephanie Wesolowski. Students have 4 months following the completion of service to submit their forms.	The form is available on our website. Only one copy of the form will be submitted. Students and parents are urged to retain a copy for their own records. Schools will also make the single page forms available. Students should see guidance personnel if they need assistance with printing forms.
