- Downloadable ebooks and audiobooks through OverDrive
- Research databases full of articles to help with research papers
- Rosetta Stone language learning software
- Beanstack and NoveList to help you discover your new favorite books

And much, much more!

Business Students Plan NYC Trip

Join the Business Department as we tour New York City and see sights such as Rockefeller Center, One World Trade Center, the 9/11 Memorial and Museum, Madison Square Garden, Times Square, tour Wall Street and the Financial District, and more!

Important Information to Remember:
- Trip Date: Thursday, April 19-Saturday, April 21, 2018
- Cost will be $700 with installments of $150 due each month until March, 2018.
- Three fundraisers will be held throughout the year to help with expenses. Students must participate to benefit from the fundraisers.
- In order to qualify for the trip, students must be enrolled in a business class (either this semester or next semester) or have taken a Business class during your high school career.
- Note: Students must be in good academic standing; have no discipline referrals; and have good attendance.
- Students may sign up beginning November 14 with a nonrefundable cash deposit of $100 which must be received at that time. This will ensure one of the 48 spots on the trip. Payments must be made over the next few months (due dates to follow) of $150 each (minus fundraising efforts) until the balance is paid in full by March 14.

See Mrs. Wilson or Ms. Zumpano for more information.
PARENT CONFERENCES

The end of the first quarter occurred on Tuesday, October 31st. Report cards will be sent home with students on Friday, November 3rd. Parent conferences will be held on Monday, November 6th from 10:00 a.m.—5:30 p.m. Parents are invited to meet with their child’s teachers throughout the parent conference day.

State and Federal laws require that the Garrett County Board of Education provide free and appropriate educational programs for all children with disabilities living in Garrett County. Services which can be provided by the Board of Education include evaluation and direct services in speech and language therapy, physical therapy, occupational therapy, developmental skills for preschools and academic help for children of school age. These services are provided through the Special Education programs to all students who qualify.

If you know of any individuals with a disability ages birth through twenty-one years of age who are not receiving educational programs, please contact:
