School Messenger: Parent Communication Tool

Garrett County Public Schools implemented a communication system, SchoolMessenger, in September. SchoolMessenger is used to communicate a number of items ranging from school cancellations, major system wide events, to other various announcements by way of phone call, email, and/or text. Information was provided to parents to sign up for SchoolMessenger at the beginning of the year. After four months of testing the system with those registrations, all students were opted into SchoolMessenger at the beginning of January to receive important announcements. Parents can edit their contact preferences by logging in to the Parent Portal in PowerSchool and making adjustments under Contact manager. Parents can also opt out of the phone calls, email, and/or text messages from School Messenger by following the "School Messenger Opt Out Directions" link found on http://www.garrettcountyschools.org/news/2014/01/schoolmessenger-information-for-parents.

The RAM students were awarded $25 gift cards to Uno’s Restaurant and Grill, the sponsor of the RAM Student of the Month program.
Media Center Open for After School Tutoring

The Media Center is open after school on Tuesdays, Wednesdays and Thursdays from 3:30-5:30 pm. Tutoring as well as access to computers is offered at this time. The teachers offering tutoring are available to help students after school in multiple content areas, not just the subjects they teach in class, and computers are available for student use. A few minutes of extra help after school is a good investment.

The Media Center also has an updated website with improved resources for student use. Check it out at http://destiny.garrettcountyschools.org/common/servlet/presenthomeform.do?l2m=Home&tm=Home&l2m=Home.

E-cigarette Policy

The use of e-cigarettes by students, staff, or visitors is not permitted on school property. E-cigarettes are designed to replace cigarettes in function and also to provide nicotine to the user. They are regulated by law and are not legal for a person under 18 to purchase. In accordance with the law and due to the nicotine content, they are not permitted in school. If found in possession of an e-cigarette, students will receive the same consequences as having snuff or cigarettes, which can result in a 3-day suspension and referral to law enforcement and the Department of Juvenile Services.
