Spring Pictures

Please note that Spring Pictures will be taken Thursday, April 23rd.

Gifted & Talented Program

The Gifted & Talented Program has undergone some changes in recent years. Each year, students must now re-qualify for participation. If you feel that your child meets the criteria for a gifted/talented child, please contact the school for a nomination form and submit by April 30th. Nominations will be reviewed by the GT Committee in May for the 2019-2020 School Year.

Please remember to send your child to school with a coat for outdoor play!

Parent Teacher Group (PTG) News

A special “Thank You” goes out to all who helped with our most recent fundraiser, 31 Bag Bingo. This event was once again a success! But,...we need your help! We are seeking individuals ready to jump in and help with organizing these events. We are also looking for anyone who is interested in serving as one of our PTG Officers. Now’s the time! Make a difference in the lives of the children at Yough Glades. We have recently experienced the strain of a few dedicated parents taking on fundraisers and events that would be better served by many. If we could enlist more of you to each help with a few tasks, everyone would benefit, especially the children. Please let us know how you can help! You can call Mrs. Gregory at 301.334.3334 or contact one of our officers directly.

PreK and Kindergarten Registration

PreK Registration will take place at Yough Glades on Thursday, April 11th. Parents of children who were born between Sept. 2, 2014 and Sept. 1, 2015 may apply for entry in our PreK Program. Kindergarten registration will take place at Yough Glades on Friday, April 12th. Parents of children who were born between Sept. 2, 2013 and Sept. 1, 2014, and are not currently enrolled in our PreK program, should contact the Pupil Services Office at the Board of Education or the school office at 301-334-3334 if they have not already received information on registration.

PARCC Testing

Our PARCC (Partnership for Assessment of Readiness for College and Careers) Test will begin in May. It is very important for children to arrive at school on time and ready to begin testing. We will continue to serve breakfast prior to beginning the test, and their lunch should remain as normally scheduled. Please check with the school if you need to pick your child up early to avoid any conflict with their testing schedule. Students in grades 3, 4, and 5 will be taking the Reading and Math tests between May 1st and May 8th. Make-up testing will take place as needed up to May 15th.

Jump Rope for Heart

The YG Staff would like to thank all those students and families that raised money for Jump Rope for Heart. We raised $2,093.00!! We have an amazing community! Thank You!! Thank You!! Thank You!!

No act of kindness, no matter how small, is ever wasted. ~ Aesop
